NEW TRANSFORMATIONS

Designed and Created by Manuel in Paris.

Made with his Famous

SIGHT PROOF PARTING

which is an exact reproduction of the natural. Manuel's Modern Transformations are truly an improvement upon nature, for they may be had in any shade or to match one's own hair. They are incomparable for beautiful quality, fine workmanship and artistic taste are combined to give them finish, cachet and naturalness. More than 200 styles to select from with either a side part or a front one that will defy even the glance of the most penetrating. Price \$50 up; without parting, \$35 up. The Parisienne no longer has a permanent wave, Marcel wave, or resorts to dyeing the hair, for it is simpler, less expensive and far better to wear a transformation than to risk having her precious hair ruined.

For those who require a wig, Manuel has designed a new "Enveloppeur," which resembles a natural growth of hair and may be arranged with ease in any style coiffure.
